

AMENDMENTS TO THE SPECIFICATION

Please amend page 1, lines 7-11 of the specification as follows:

My co-pending U.S. Patent Application Number 09/773,756, filed on February 1, 2001, discloses certain animal attractant and/or repellant compositions comprising a carrier material in formulation with such odoriferous constituents as selected animal urine or feces or glandular secretions which are employed to attract or repulse animals which are sensitive to the odor.
